

access training

Success starts with Access...

From E2E to Advanced Apprenticeship!

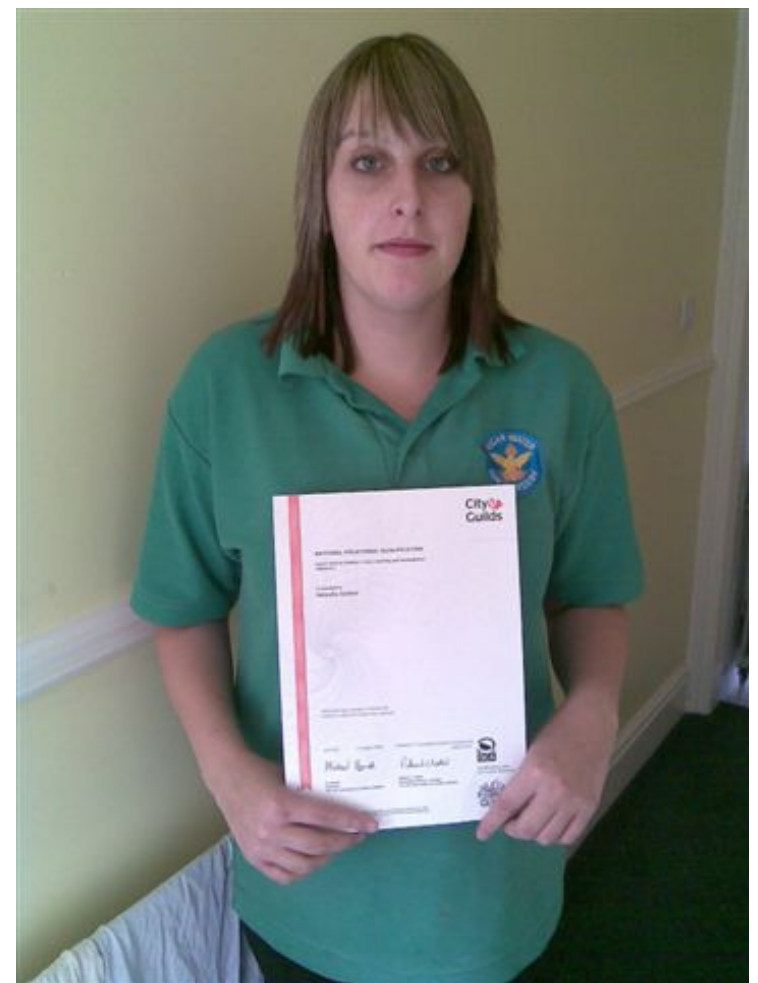

Natasha started with Access Training on an E2E programme as an unconfident and shy person. However, today Natasha is completely the opposite and is a very confident and strong person who has benefitted from her training. Natasha works at the Vicar Water Day Nursery in Clipstone and is highly regarded by staff, children and parents.

“ I feel I was really supported by both Access and Vicar Water—My confidence has really grown with my training, and it has given me the will power to go on to develop myself further at a higher standard”

Pam Carver Deputy Manager at Vicar Water says:

“Natasha has shown enthusiasm throughout her time at the nursery and with her course work. She is inspiring to other trainees and has shown with determination what can be achieved!”

Congratulations Natasha! You have proved that with a little hard work and dedication you really can achieve success!
