## Success starts with Access...

Congratulations to Jayne Barker who has achieved her NVQ Level 3 in Health & Social Care. Jayne had a strict timescale as to when she wanted to complete her award due to the company being transferred to a new provider within 6 months. Due to Jayne's dedication on the programme and having clear goals she achieved her award within the 6 months she had set as her goal.

*"After two attempts to complete my Registered Managers Award but both training providers folding, I was eager to find someone who could help me get on another RMA course or at least an NVQ3 in Health & Social Care as my company was being taken over by a new provider. I felt as a Service Manager with no NVQ it may have repercussions me maintaining my current position. I approached Sacha who was the Assessor for my staff and she helped me to get funding to do an NVQ 3 with Access Training. I explained that I wished to complete the award in 6 months before the new provider took over. With thanks to Sacha for her help, I was able to achieve my goal"*
