Success starts with Access...

From learner to nursery owner in five years? That's Vicky Barker's story! From starting on a Level 2 NVQ with Access Training, Vicky progressed right through to an Advanced Apprenticeship—and now runs her own Nursery.

“I started as a trainee, but my qualifications meant I was promoted quickly and soon became a Deputy Officer-in-Charge at my placement. Last year, I set up my own nursery, the Mountford House Toddler Unit. I haven't stopped learning, and am now doing an Open University Level 4 Certificate in Early Years”
