## Runner Up in the Train to Gain Award at the Nottinghamshire Work Based Learning Awards 2009!

Congratulations to Vikki who was Runner Up in the Train to Gain Award category at the Nottinghamshire Work Based Learning Awards!

**Vikki Beeson**

*“It has shown to me that I can do more than what I thought I could, and because I had lost my mother just as I started my course I didn't think I would be able to do it. I am now even more committed to continue to work as a professional carer, supporting others in their own lives”*

Vikki is a Support worker in a residential home for 3 adults with learning difficulties. She has worked at The Orchard Care Home since June 2008. Vikki provides personal care to the service users and helps support them with everyday living skills. On completing her NVQ Level 2 in Health & Social Care it has given her a lot more confidence in all aspects of her life.

When Vikki received her certificate, which is the first one she ever had, she framed it immediately and hung it up in her home!

Vikki has shown that with the right support and programme you can achieve your goals and win an award!
