

access training

Success starts with Access...

Sharon was on placement at Silverdale Pre School where she supported a child with additional needs. When the child left the school Sharon continued to work as a volunteer, as the manager Elaine didn't want to lose her and Sharon loved the work she was doing.

Sharon was quite apprehensive at the start of the programme due to not having done any course work since leaving school.

Sharon progressed really quickly with the work and demonstrated an excellent understanding.

"I feel really proud of what I have achieved, I couldn't have done it without the support from Elaine and my assessor Nicky Mundry"

She has now secured a position at the pre school covering maternity leave - this is an excellent achievement and well deserved.

Sharon completed her Level 3 in Children's Care, Learning and Development in 8 months.

With the right support, hard work and dedication success can be achieved – Sharon has proven this – well done!
