Success starts with Access...

**Daniel Bullous**

Daniel is working towards achieving his Childcare Apprenticeship with Access Training. After Daniel started finding it quite hard work, his Assessor, Wendy Tyler, arranged some time with Daniel's placement for him to get extra support to make sure he gets his qualification. He also comes to Access for some one to-one help with his portfolio.

*"I'm enjoying working in the nursery, and the help I get is really useful. I'm sure I'll be able to complete my qualification now"*

Daniel's example shows that we realize every learner is different and occasionally needs some extra help—don't be afraid to ask, because we all want you to achieve your qualifications!
