## Success starts with Access...

Congratulations to Ngoni who has achieved her NVQ Level 3 in Health & Social Care in just 4 months!

*“I cant believe that I have completed my Health and Social Care NVQ in just 4 months.*

*When I started I didn't know that my course involved a lot more work than I expected. I gave myself enough time to concentrate and manage to achieve my goal. I want to thank Sacha my Trainer/Assessor for being there for me. Sacha was very supportive and always wanted to make sure I understood the coursework requirement and what was expected from me.’*

*I thank Sacha for sending text messages telling me how pleased she was, when she was going through my work. This really gave me courage and I enjoyed my time with her.*

“Ngoni has made amazing progress. She remained determined and enthusiastic throughout the award. Ngoni has many goals for her future and to know that she is now a step future to achieving them is very rewarding for me as her assessor” **Sacha Lee Trainer Assessor**
