

# access training

Success starts with Access...

Congratulations to Marieke who has completed her NVQ level 2 in Health & Social Care in just 6 months!

**Marieke Chinhara**

*"I have enjoyed my NVQ course with my excellent tutor Sacha Lee. She makes my life shiny and encourages me when I am discouraged and I say "Oh Sacha, I cant do this". I have enjoyed her encouragement and it leads me to work harder than I ever expected and complete my award 6 months earlier than expected. God bless my tutor Sacha and all who encouraged me to do this course. I now wish to do my NVQ 3 and 4"*

*Sasha Lee—Trainer Assessor says:*

Marieke has been a joy to work with starting off on the programme very nervous and self doubting in her abilities and knowledge. She has worked extremely hard and produced excellent work. She now has an interview for a promotion to Senior Care Worker and has ambitions to continue with her education.
