## Success starts with Access...

**Paul Clifton**, a pupil from the Ash Lea Special School in Cotgrave, attended the Animal Care course run by Access Training at The Manor School finishing in May 2010. The course took place every Tuesday in the barn on the school site in Mansfield Woodhouse.

Paul has had problems overcoming anxiety but joined in the practical tasks, tried really hard and we are all delighted that he has achieved his NVQ.

“I have learnt how to clean out the animal cages, about the five freedoms, health checks and how to move animals” and tells us he is staying on at school for one more year.

His TA from the school commented “Thanks for everything and all the support you have given Ash Lea students”. He is pictured below receiving his NVQ Level 1 in Animal Care.
