Success starts with Access...

Shaun Dillingham from **Swanwick Hall School** went to work at **Stubbs Service Centre** in **Pilsley**. He was not doing very well in school so they felt this programme would be better for him. He started in January 2009 and has achieved the NOCN Award in Skills Towards Enabling Progression (Step-Up) (QCF).

*Shaun said
“when I was at school I was always getting into trouble, since being on the programme school is much better now and I now realise that school only wanted what’s best for me”.*

David Stubbs, the Manager at the garage says “Shaun is an excellent worker, very knowledgeable about cars, is very willing to learn and very reliable. It has been a pleasure to have him working for us”
