

access training

Success starts with Access...

Congratulations to Ellen who has now completed her NVQ Level 3 in Health & Social Care. Achieving this qualification has enabled her to apply for a more senior position, where she works for an independent day care provider in Chesterfield.

ELLEN DONE

“I felt very daunted when I began my Level 3 and didn't know if I could do it but I have actually enjoyed it and am delighted that I have completed it 4 months before my target date. Thank you to Access and my assessor, Alison, for all your help and support”

Despite having time off work due to illness and family bereavement, Ellen completed her qualification in less than 12 months! Access Training would like to wish Ellen all the best in her future career.
