

access training

Success starts with Access...

Fakhira has been working towards her NVQ Level 3 with Access Training and Sure Start Meadows Day Nursery. Despite needing four weeks off to recover from an operation, Fakhira is still going to complete her qualification in 10 months — which is an excellent achievement!

“I am happy that I am doing my Level 3 and that I will be finishing before Christmas”

Fakhira is a valuable member of staff at the nursery, not least because she can speak three languages — English, Punjabi and Urdu — which has been a massive help for the nursery in building up good relationships with staff and parents.
