

access training

Success starts with Access...

Congratulations to Shaun who completed his Apprenticeship in Children's Care, Learning & Development. Shaun started on his Apprenticeship Programme with Access Training and did a fast track approach and completed in just 7 months! Since then he has gone onto achieve and Advanced Apprenticeship in only 9 months!

"Shaun was a dedicated learner who was eager to progress and move forward with his learning. He is a credit to the Childcare Industry." **Nicky Sims Lead Trainer Assessor**

Wendy Hawkes Manager of University Hospital Day Nursery:

"Having Shaun working in our Nursery has definitely benefitted the pre school children, especially from 2 years onwards, where children are becoming aware of their gender. It is very important to have such an enthusiastic and positive role model—he is an asset to our setting."

Shaun is currently waiting to start the Foundation Stage Degree where he will further his own development and knowledge.

Shaun Gillott
