## Success starts with Access...

Congratulations to Ann Mason who has completed her NVQ Level 3. Ann has worked extremely hard, she has been motivated and dedicated to the programme and as a result completed the award in just 5 months!

**Ann Mason**

*"My experience of working on the NVQ in Health and Social Care Level 3 has been quite satisfying. I have been able to draw upon my experiences in working with people with Learning Disabilities and Mental Health to then given written testimonies based on this experience. The pace of the course I have found good and it didn't impact on my work or social life.*

*I found Sacha, my NVQ Assessor of Access Training, very pleasant and extremely helpful. The feedback she gave me throughout the course was very encouraging and also informative. I would definitely recommend this course to anyone who is considering taking it up"*

Ann works as a Housing Support Officer supporting individuals with mental health and learning disabilities to remain in their own home. This is a varied and challenging role but one that Ann enjoys and has proved her knowledge and performance in the field to a very high standard.

**Well Done Ann!**
