

access training

Success starts with Access...

Jordan started her Health and Social Care Programme Led Apprenticeship in July 2009. Jordan quickly settled into attending Leawood Manor 3 days a week and Access Training once a week. Jordan has worked extremely hard with both her practical and theory work. She has excelled herself which has enabled her to be successfully employed by the NHS as an Apprentice Health Care Assistant.

Jordan McKenzie

“When I found out that I had been accepted by the NHS I felt very proud of myself. This is an amazing experience and opportunity and I am really looking forward to what the future holds. Everyday at work I am learning new skills and knowledge which is amazing. Without attending Access Training I wouldn't have had this avenue offered to me”

Access Training congratulates Jordan on her success and achievement and wishes her all the best for the future.
