

access training

Success starts with Access...

Congratulations to Steven who has achieved his NVQ Level 2 & 3 for Teaching Assistants! Steven is now employed full time at a school.

Steven Nightingale

“Access Training provided me with a flexible approach to completing the NVQ level 2 and 3 for Teaching Assistants. This was due to the fact that the courses were held in the evenings, allowing me to combine various work commitments with my studies. The level of support from my course tutor was excellent, both at college and in school, and I found that the knowledge and guidance provided was of a high standard. Communication was also a clear, two-way process, with my course tutor in person, by phone or via email. I believe that these factors played a key role in enabling me to complete the NVQ level 2 and 3 courses in close succession, and then go on to secure a permanent role as a Level 3 Teaching Assistant”
