Success starts with Access...

Jade completed her Advanced Apprenticeship in Children's Care Learning & Development 4 months before her expected end date!

Jade Nursery

"I am glad to have finished early, especially with having to go to Hospital"

Jade worked extremely hard to complete her level 3 and she was always prepared for her assessment visits.

Jade has a heart condition and has a consultation at the hospital at the end of July and so it was important to get her finished early—Jade has been offered a nursery nurse position at her nursery.
