

access training

Success starts with Access...

Congratulation to David who has achieved his NVQ Level 2 in Health & Social Care in just 4 months. David has been a fantastic learner. He was enthusiastic, conscientious about his work and always put in that little bit extra.

"I feel that the NVQ Level 2 course I have taken with Access Training was very well presented to me by Sacha Lee; the Assessor representing Access Training.

Sacha did not make the work too daunting as to make the course look very difficult and hard to complete. I have enjoyed taking the course and completed the work fairly quickly and competently... all down to Sacha's help and support!"

David produced excellent work although he doubted his work on occasions. David wasn't afraid to ask lots of questions if he was unsure of any aspect of the work. This was great for me as I felt confident that he had a clear understanding of the work I had set which achieved positive results—**Sacha Lee Trainer Assessor**
