

access training

Success starts with Access...

Joseph Pearce was one of 4 pupils from Ash Lea Special School who travelled all the way from Cotgrave to attend the Animal Care course run by Access Training at The Manor School which finished in May 2010. The course took place every Tuesday in the barn on the school site in Mansfield Woodhouse.

The school has a variety of animals including ducks, hens, goats, pigs, lambs, rabbits and guinea pigs and Joseph particularly enjoyed handling them all and learning about the right food of each animal.

His TA from the school commented, "It's good to see different students mix and make friends and learn new skills on a practical level." Access Training's Sally Small, was praised for being "a good and friendly tutor."

Joseph said that he was very proud of gaining his NVQ which he is pictured below receiving.

Want to get into training? Speak to one of our staff while you're here, call us on 0115 9587257 or visit our website at www.atem.co.uk
