Success starts with Access...

Well done to **Danielle Smedley** for getting into the final three of the **East Midlands Apprenticeship Awards** in April. In the face of such stiff competition, this is a fantastic achievement - not least because she had to get past an X-Factor-style judging panel!

Danielle powered through her Childcare Apprenticeship and Advanced Apprenticeships in just 19 months. She's since been promoted at her workplace, Vicar Water Day Nursery, and is looking forward to a great career in Childcare.
