

access training

Success starts with Access...

Congratulations to Cristin who has achieved her NVQ Level 3 in Health & Social Care in just 6 months. Cristin started the programme confident in her work ability but lacking confidence in her English and written work. With a lot of reassurance and encouragement Cristin did in fact overcome this and produced very good work.

“ I’m very thankful of to of had an assessor like Sacha Lee as she has really helped me a lot during my NVQ training in Health & Social Care Level 3. She has been very supportive and has encouraged me to succeed ”

It was a joy to witness Cristin in her job role giving such care and thought for the individuals she cared for in the Learning Difficulties sector.

Well Done Cristin!
