## Success starts with Access...

Peter started work at Chesterfield Care Group as a volunteer and was soon offered employment as an assistant carer. During his NVQ Level 2 in Health & Social Care he has really grown in confidence and knowledge.

*“I was a bit nervous when I started my NVQ but with my assessor’s help I have really enjoyed it. I love my work with older people in day care and I have really grown in confidence and am not as shy as I used to be”*

Despite having some learning disability, Peter has provided excellent written work and shown great understanding of his role supporting older people in day care. Access Training congratulates Peter on his achievement!
