Success starts with Access...

Congratulations to Heather Wright who has achieved a Level 3 in Children's Care, Learning and Development.

Heather was very shy and lacked confidence at the start of her training. After attending a confidence building course she gained confidence and found it easier to interact with parents and children in the childcare setting.

"I feel I have a good chance of becoming employed now that I have a better understanding of childcare. I feel confident enough to talk to the parents and children which I struggled with before"

Heather would like to thank her Assessor Trainer Helen Musgrove and Rachel Parkes for all their support in helping her to achieve her qualification.
