

## **16-19 Tuition Fund Statement**

### **What is the 16-19 tuition fund?**

The 16-19 tuition fund is £96 million of one-off funding for the 2020-21 academic year only. It is ring fenced funding for schools, colleges and all other 16 to 19 providers to mitigate the disruption to learning arising from coronavirus. The funding should be used to support small group tuition for 16 to 19 students in English, maths, and other courses where learning has been disrupted. Although the actual tuition does not need to be for GCSE English or maths, the students supported all need to be those who had not achieved grade 4 in at least one of those subjects at this level by age 16.

### **How will we use the 16-19 tuition fund?**

Access Training is eligible to receive up to £16,084 from this fund for small group tuition. We will be using this funding to support students who have not yet achieved a grade 4 in English and/or maths at GCSE. We will be prioritising those students with special educational needs and disabilities (SEND) where appropriate. We will provide small group tuition (maximum of 5 learners) on English, maths and/or vocational subject skills to learners throughout their programme.

### **Our commitment**

Access Training is committed to ensuring the tuition fund is used in accordance with the Government's guidance on the 16 to 19 tuition fund by:

- producing this statement setting out how the fund will be used to support the most disadvantaged students
- publishing this guidance on our website
- recording the use of the fund, including references to individual students who receive support, the needs of those students, the number of hours of tuition delivered and retain the evidence of the tuition provided
- deliver the extra tuition and spend the allocated funds in the academic year 2020/21
- notify the Education Skills Funding Agency (ESFA) of any underspend from the Fund for it to be reclaimed
