

Full-time study programme

Level 1 Caring for Children

Do you dream of a career in childcare? This course is designed for individuals like you who are eager to gain the necessary skills to achieve their goals.

This course covers various topics, such as the growth and development of young children, and how to provide engaging activities that aid in a child's development. Additionally, you will acquire personal learning skills, an understanding of equality, health and safety measures, and effective communication techniques.

You will cover the following topics:

- Confidence building for young children through play
- Growth and development of young children
- Sharing learning experiences with children
- Human growth and development
- Respecting and valuing children
- Children's play and leisure activities in the community
- Supporting babies to play
- Craft activities for young children
- Musical activities for young children
- Practical health and safety when with young children
- Finding out about Forest Schools
- Understanding learning and development through play
- Contribute to own healthy living
- Healthy eating for families
- Exploring a vocational area for own development
- Maths and English (if required)
- Preparing for your next steps.
